\$10,000.00

**IV. Why the Compromise is in the Best Interest of the State of California**

The amount of the accepted offer, \$10,000.00, represents the most the state can expect to collect from the taxpayer's assets or income within a reasonable period of time. The taxpayer does not have reasonable prospects of acquiring increased income or assets that would enable the taxpayer to satisfy a greater amount of liability than the compromised amount within a reasonable amount of time.
